DES provides over 58% of the nation's electricity, mostly to residential areas, through the operation of four natural gas power plants (Gadong 1A, Gadong 2, Bukit Panggal, and Lumut) and one diesel power plant (Belingos). Together, DES and the Berakas Power Company (BPC) supply 889 MW of electrical power, of which DES provides 609 MW and BPC provides 280 MW. Serving key locations such government buildings and medical facilities, BPC provides 42% of the electri...

Photo: The Scoop BANDAR SERI BEGAWAN - Brunei launched its 5G mobile service on Thursday, allowing customers with 5G-capable devices to access ultra-high speed internet.

Berakas power station is an operating power station of at least 102-megawatts (MW) in Kampung Perpindahan Terunjing, Bandar Seri Begawan, Brunei. The map below shows the exact ...

Serving key locations such government buildings and medical facilities, BPC provides 42% of the electricity and runs three significant natural gas stations (Berakas, Gadong 3, and Jerudong).

This fee will be payable by all InTi allocated with frequency spectrum on a 6-monthly basis. This fee is based on the formula as set out in Appendix E of this document.
