Your specialist custom lithium-ion battery pack manufacturer. We design and manufacture custom lithium battery packs for diverse industries.

Voltaplex specializes in creating custom lithium battery packs tailored to the needs of EVs, ensuring exceptional performance and extended range. Voltaplex Energy is ready to design ...

With a team of over 300 professionals across our production and development facilities in Europe and Asia, we deliver safe and reliable battery packs, ranging from simple lead-acid batteries to ...

With over 20 years of experience, NPP Power specializes in custom lithium battery pack manufacturing. We provide tailored energy storage solutions that ensure efficiency, safety, and ...

Li-ion battery packs manufactured by Gushine are engineered for a wide range of applications, from handheld terminals and smart hardware to robotics and medical devices. As a full custom ...

We offer design support for the total battery pack, including smart li-polymer battery pack solutions, BMS integration, PCB development, enclosures, testing, regulatory support, and ...

As a certified OEM/ODM battery pack specialist since 2007, we transform your complex power challenges into reliable, market-ready battery solutions. With over 6,000 successful projects, ...

We are a full-service custom battery manufacturer with full design and engineering capabilities. Our team has extensive experience with lithium-ion, lithium polymer, nickel metal hydride, ...
