-----

The design of Tarpon Bend underscores the firm's ongoing explorations of regional modernism by adapting a rectilinear frame with site-specific and climate-specific considerations.

The exterior of the house received new landscaping, a more intimate courtyard design, and the addition of a lap pool, something always hoped for by Gene Leedy, but realized until today.

STRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, ...

Nonetheless, the Rock House masterfully blends these disparate influences together to create an unexpected, yet convincing, design solution. The dense and riotous tropical landscape of ...

It goes further by offering an evolutionary design which creatively celebrates the cultural, ecological and physical environment of The Florida Keys. Located on the shores of Key Largo, ...
