The exterior of the house received new landscaping, a more intimate courtyard design, and the addition of a lap pool, something always hoped for by Gene Leedy, but realized until today.

That house took a post and beam design that harkens back to Leedy and brought it to an incredible new level. A steel frame is used instead of pre-stressed concrete, then mixed with ...

The design of Tarpon Bend underscores the firm's ongoing explorations of regional modernism by adapting a rectilinear frame with site-specific and climate-specific considerations.

Maison Rive Gauche is a single-family residence on the Dilido Islands in Miami Beach. Taking advantage of downtown views and its waterfront access, its design is focused on the full ...

After damage from Hurricane Irma and a few years of neglect, the office is now back to it's former glory with modern updates, and will be used as a satellite office for the design firm that ...
