What types of circuit breakers are available?

Our comprehensive inventory includes circuit breakers from major manufacturers, ranging from new to hard-to-find and used options. We provide a one-stop solution with our selection of miniature, molded case, and insulated case circuit breakers, as well as air breakers, vacuum breakers, load break switches, and related parts.

Are refurbished circuit breakers worth it?

Refurbished circuit breakers are a cost-effective alternative to buying new ones. They are disassembled, cleaned, and tested to ensure they meet industry standards and are free of defects.
