A buddy and I are planning to float the Skykomish for the first time in pontoon boats this Thursday on January 2nd. We are looking for any good feedback on where to PUT ...

Finally, there are add-on sinking tips that, like poly leaders, loop to the butt section of a regular line (usually a floating line) and are intended to in effect turn the floating line into a ...

The end of a floating flyline still can float lower than the main body of the line because the ratio of floating coating to core is lower in this small diameter section.

My husband and I are thinking of floating the river from the white bridge to Crossover Bridge. Looks like a good float for a couple of noobies. Just wondering if any one ...

A couple of spun deer hair dragonfly nymphs. @bakerite ties some bada-- floating dragon fly nymphs and turned me onto this pattern. I like to fish these with a full sink line and ...

Picked up a polyleader to see how this fishes with my floating line. What am I doing wrong? Feel like i really have to work to get this thing out there.

Hello All, I was planning on floating the Cowlitz this weekend, Barrier to Blue creek. I see the flows are up quite a bit. Any input on floating it at this level? Hazards to watch ...

You can absolutely tie/ weld/ glue some floating line onto some sinking line (t-x), but the beauty of mow tips is that the floating line tapers into the sinking line and thus turns ...

^^^ What Argent said. I have both Rio and SA and prefer the SA, at least for floating lines, technical dry fly presentation.
