---

Jenbacher offers containerized generator sets based on our Type 2, 3, 4, and 6 gas engines. Leveraging the expertise acquired during several decades with more than 3,000 containerized ...

Complete MWM Container solutions: read about intelligent and complete turnkey systems for decentralized energy generation (combined heat and power plants - CHP). The components ...

Jenbacher offers containerized generator sets based on our Type 2, 3, 4, and 6 gas engines. Leveraging the expertise acquired during several decades ...

With our genset containers offer optimal performance in various site conditions. By maintaining high-quality standards for both the engine and the complete containerized power plant ...

We have significant experience with pre-packaged container and enclosure solutions for engine-generator sets, balance of plant equipment, and switchgear.

Our line of containerized generators is easily configurable to the needs of any application, from rental to disaster relief to mining -- with a whole host of value-added standard features, ...

We specialise in offering high-quality bespoke containerised generators from 110kW to 3.5MW for Diesel, LPG, CHP, and NG Gas application

Our GEN-C generators are powered by world renowned engines ranging from Perkins to Cummins, ensuring top-class operation as well as maximise fuel efficiency at all times

With our genset containers offer optimal performance in various site conditions. By maintaining high-quality standards for both the engine and ...

We're excited to expand this pillar with the addition of Centum(TM) Force, the next generation of containerized generator sets that establish new benchmarks in footprint optimization, layout ...

We design and build container generator units, shipping container power units, and modular generator housing that meet the highest standards of safety and performance.

Gulfstream Container specializes in the manufacturing of stationary & c ontainerized generator enclosures. Our team has fabricated and repaired units for the largest power systems ...
