Which is grammatically correct? I can only do so much in this time. or I can do only so much in this time.

This is why logicians use iff for "if and only if". I think it would be useful in real life, but can't see it catching on.

Not only are there students in the room, but also parents. (here, the parents are there part is not quite required, so you don't have to say but parents are also there because it's ...

In "Only When", there is a sense of urgency, a slightly more "involved" writing. "It was only when" is by comparison more "relaxed" writing, more like someone is recounting something to someone.

Which one is correct usage of "only" and difference between the following sentences what is point of living if it is only a struggle. what is point of living if it only is ...

I am from Bangalore and people here tend use the word only to emphasise something in a sentence. For example: We are getting that only printed. What is the proper way to put it?

You should put only before a verb phrase when either (a) the verb phrase is the focussed constituent of only, or (b) when the verb phrase contains another constituent that is ...

"Only that's she's an expert in her line." [Source: From Dashiell Hammett, Red Harvest] I wonder if this is grammatically correct (common usage) or a kind of dialect used ...

1 There is no difference between "just" and "only" in the context of this sentence. The problem with this sentence is that neither of the constructions "not just airports" or "not only

airports" ...

When only after, only if, only in this way etc. are placed at the beginning of the sentence for rhetorical effect, the subject and auxiliary are inverted: Only after lunch can you play.
