What are ready America emergency response & disaster relief containers?

Ready America customizes and delivers Emergency Response & Disaster Relief Containers nationwide. They are custom retrofit Grade A containers that offer secure storage of critical supplies. For quick deployment in an orderly fashion, and to save time when it matters most, emergency supplies are stored on heavy-duty metro racks.

How does DLA container program work?

DLA Container Program works directly with each Service's Container Control Officer and Army Intermodal Deployment Platform Management Office (AIDPMO) to assign serial numbers for DOD owned asset usage for shipping purposes.

Why are emergency supplies stored on heavy-duty Metro racks?

For quick deployment in an orderly fashion, and to save time when it matters most, emergency supplies are stored on heavy-duty metro racks. Some features of our containers are:

Who is subject to federal procurement rules?

Recipients and subrecipients are subject to the federal procurement rules at 2 C.F.R. §§ 200.317-200.327 when purchasing under a FEMA award. To determine which federal procurement rules to follow, recipients and sub-recipients must first determine whether they are a state or a non-state entity.
