Do you offer solar power inverters?

We offer a complete line of solar power inverters for both off-grid and grid-tied systems. Our inverters can be purchased as a stand-alone item above all in a pre-wired, fully-tested panel. In addition to CSA certification and a 5-year warranty. Call or email us for the latest pricing or advice.

Do inverters ship to Canada?

Whether you're setting up an off-grid solar system, powering a remote cabin, upgrading your RV or van setup, or preparing a battery backup system for your home or business, our inverters are built to deliver long-term performance in Canadian conditions. We ship across Canada and offer expert support for sizing and integration. ...

Which solar power inverters are CSA certified?

We present CSA-certified solar power inverters for both off-grid and grid-tied systems. We offer known brands like Outback and Magnum.

What does a solar inverter do?

A solar inverter converts DC (direct current) energy from solar panels into usable AC (alternating current) power for your home, RV, or cabin. It's the heart of any solar power system and allows your appliances to function on clean energy. +Do I need a solar inverter for my system?
