Which countries does Eswatini have a bilateral investment agreement with?

Eswatini has bilateral investment treaties in force with the United Kingdom, Taiwan, and Germany. After Brexit in 2021, the government signed the African-Caribbean-Pacific (ACP) - EU Partnership Agreement. Eswatini signed bilateral investment agreements with Egypt, Kuwait, and Mauritius, but these have not entered into force.

Why does Eswatini have a stock exchange?

In 2010, the GKoE passed the Securities Act to strengthen the regulation of portfolio investments. The Act was primarily intended to facilitate and develop an orderly, fair, and efficient capital market in the country. Eswatini has a small stock exchange with only a handful of companies currently trading.

Does Eswatini have a capital market?

Eswatini's capital markets are closely tied to those of South Africa and operate under conditions generally like the conditions in that market. In 2010, the GKoE passed the Securities Act to strengthen the regulation of portfolio investments.

What is Swaziland investment & payment & settlement system (swipss)?

The Swaziland Investment and Payment and Settlement System (SWIPSS) offers real-time transactions. SWIPSS, Eswatini's Real Time Gross Settlement System, is an advanced interbank electronic payment system that facilitates the efficient, safe, secure, and real-time transmission of high-value funds in the banking sector.
